In response to your letter dated January 6, 2006 regarding the Amended June Monthly Report please note that the Committee has filed an amended report today to address the calendar year to date issues for lines 11(b) and 11(c).

You have stated that aggregate totals for Linda Mak and Alan Santana were incorrect. These totals reflect contributions and refunds. The refunds had been reported to the Commission and so the aggregate totals are correct as filed.

The voided disbursements to Preferred Communications refer to a check written that same day. The check had been reported in the original filing but the void had not. The amendment showed the void but did not report the original check again since the total was now \$0.00. We have now reported both the original check and the void in the amendment.

Please contact me if you have any further questions. Thank you.
